AI EXPLAINED · EP 4

RAG + NOTEBOOKLM

Retrieval Augmented Generation, 1 page

RAG = AI KA OPEN-BOOK EXAM

1 Chunk
Files ko chhote tukdon mein kaato. Har tukda ek chunk.

2 Embedding
Har chunk ka meaning numbers mein. Ye numbers ek vector database mein rakhe jaate hain.

3 Retrieval
Sawal aaye to meaning se sabse milte-julte chunks dhoondho. Keyword se nahi.

4 Answer
Wo chunks prompt mein jodo. AI unhi se jawab deta hai, source ke saath.

FREE MEIN TRY KARO: NOTEBOOKLM

- notebooklm.google.com kholo, Google account se sign in karo.
- Naya notebook banao aur source daalo: PDF, Google Doc, website link ya YouTube link.
- Sawal poochho. Jawab mein [1] jaise number par click karo, source ka wahi hissa dikhega.

DHYAN RAHE

- Galat chunk mila to jawab bhi galat.
- RAG jhooth kam karta hai, khatam nahi. Source khud check karo.
- Office ki files daalne se pehle company ki policy dekh lo.

AI ko ratne mat do, padhne do.
