AI EXPLAINED · EP 3

AI KA JHOOTH PAKDO

Hallucination cheat sheet, 1 page

KAHAN SABSE ZYADA GUESS KARTA HAI?

- Links, sources aur citations
- Numbers, dates aur percentages
- Naam: log, court cases, kitaabein, research papers
- Nayi khabar, jo training ke baad hui
- Rare topics, jin par internet par kam likha hai

3 TRICKS

1 Source maango, link khud kholo

AI se verify mat karwao. Wo dobara guess karega.

2 'Pata nahi' bolne ki chhoot do

AI ko training mein guess karne par marks mile the. Prompt mein likh do ki 'pata nahi' bolna theek hai.

3 Apna document do

Bolo: sirf isi se jawab do. Jo isme nahi hai, wo mat likho.

COPY-PASTE LINES

PROMPT KE END MEIN

Agar pakka nahi pata, to seedha 'pata nahi' bolo. Guess mat karo.

FACTS KE LIYE

Har fact ke saath source link do. Jo verify nahi ho sakta, use alag se mark karo.

APNE DOCUMENT KE SAATH

Sirf neeche diye text se jawab do. Text mein nahi hai to bolo: 'document mein nahi hai'.

AI jhootha nahi, guesser hai. Zaroori baat hamesha check karo.
